Re: Request for Certificate of Correction

Consideration has been given your request for the issuance of a certificate of correction for the above identified patent.

Submission of applicants form as verification of cited references is acknowledged. However, it is required that applicant submit a copy 1449 that has been signed and dated by the Examining Official in order that entry is warranted under 37 CFR. 1.322.

In view of the forgoing applicants' request in this matter is hereby denied. However, to further consider applicants request in the case that a signed copy is not available, applicant should submit a new request under 37 CFR 1.323 with the required fee of \$100.00.

A certificate of correction will issue to correct the remaining error noted in applicants request. Further correspondence should be directed to the certificate of correction Branch. Any telephone inquiry concening this communication should be directed to Ms. A. Green at (703) 305-8740
